COMPANY OVERVIEW

Legacy Restoration and Referral specializes in innovative General Construction and Construction Management. We are primarily responsible for the construction, remodeling, maintenance, and repairs of residential and commercial structures. Our team has performed more than 300 projects in both Louisiana and Texas. We work closely with our customers to provide a personal experience and deliver on time, on budget, quality projects with complete customer satisfaction. As a combat wounded, service-disabled veteran owned business, we take pride in every project, no matter how big or small. Our promise is to provide high quality work at a fair and reasonable price while remaining true to our core values of integrity, communication, and safety.
